(Deputies)

Director, SIPS Task Force

[Redacted]

STAT

Ref the Agency's revised program structure, Mr. Briggs said at the Deputies Meeting on 14 December that this could not be implemented right away because "new SIPS systems" will not be ready for some time. I don't recall being aware that you are working on a revision of ABC to take into account a new program structure. Please educate me sometime.

/s/ John W. Coffey
